Barnstone Art for Kids is a registered 501(c)3 non-profit organization in Phoenixville, PA that provides art programming to children who have suffered abuse, neglect or household dysfunction. Children suffering from trauma are at increased risk of poor mental, behavioral and physical health outcomes later in life. Our signature program, Power of Art, is a comprehensive, trauma informed program that combines a compassionate mentor, an exciting curriculum and a safe environment for children ages 5-15 facing adversity in our community. **Barnstone Art for Kids** is funded by individual donations with Foundation support. Services are offered at no cost to families.

Barnstone LIVE! Art Spectacular is a live, "spectacular" art event and fundraiser where original artwork is created right before your eyes! Spectators have the rare and exciting opportunity to watch artists move through their creative process, witnessing sketches evolve into completed artwork that is immediately available for sale! This event consists of two 45 minute rounds where 20+ artists will work in various mediums to create one of a kind art on the spot!

Barnstone LIVE! is a fantastic way to connect with our local artist community and witness the Power of Art! **Barnstone Art for Kids** believes that sharing the creative process with one another not only forms a strong bond, but provides the opportunity to encourage essential life skill building.

It's **FAST!** It's **FUN!**
And **YOU** can be a part of it!

Last year, Barnstone LIVE! was a huge success. Tickets sold out quickly and 150 people were in attendance. More than 20 artists and 23 sponsors participated in the evening helping to raise nearly \$20,000 dollars to support programming for Barnstone Art for Kids.

All proceeds from this event will support **Barnstone Art for Kids** and the Power of Art.
